STRIPE-OFF™

Striping Paint Overspray Release

Apply new **STRIPE-OFF™** to your expensive striping equipment, outriggers, gun packs or stencils and you will receive the following benefits:

STOPS THE BONDING - of quick-drying, water or solvent borne thermoplastic or epoxy striping paints to your equipment, stencils and job sites!

KEEPS EQUIPMENT LOOKING IT'S BEST - a lot of dollars are spent each year on striping vehicles, outriggers, gun packs and stencils, it only make sense that you want them looking their best!

CLING TO ANY SURFACE - vertical, horizontal or even oblong!

NO "FISHEYES" - contains absolutely no silcones!

EASY CLEANUP - when your done, you simply flush or wipe off the striping paint overspray accumulations!

EXTREMELY VERSATILE - also keeps asphalt and road oils from bonding to your equipment, barrels, cones and barricades!
